

Cindy Khin has worked in the insurance industry for more than 25 years. Her experience and attention to details enables Cindy to provide high quality service to her clients, skillsets she now brings to the Board of the NEKCHS.

Cindy moved to the Historic Northeast with her partner, John Bordeau, in 2018 after they spent 2 years renovating the Tiffany Castle, located in the Pendleton Heights neighborhood. It was during this experience that she developed a strong interest in historic preservation and arts and crafts architecture.
